The Youth appreciate your donations—which must be bagged—as an ongoing fund raiser.

A minister was planning a wedding at the close of the Sunday morning service. After the benediction, he had planned to call the couple down to be married in a brief ceremony before the congregation. For the life of him, he couldn't think of the names of those who were to be married. "Will those wanting to get married please come to the front?" he requested. Immediately, nine single ladies, three widows, four widowers, and six single men stepped to the front. ~ Tal D. Bonham in *And God Said... Let There Be More Laughter!* by Mary Hollingsworth

"Because he works from home. That's why we never see God in person."
