Our AED is currently out of order. It needs a new battery and the AED Superstore where the AED was purchased is on back log with AED Batteries due to COVID. The battery has been ordered and now we are currently on a wait list. When the new battery arrives I will send out a note that the AED is back in service. Thank You for your understanding of this important matter. Jennifer Parish

Worried About Your Child's Mental Health?

A child's mental health can be fragile. Children are very resilient, but they too can suffer from anxiety, depression, stress or loss. For some kids, this shows up through acting out at school or at home. For others they become withdrawn and quiet. Others may become angry or easily frustrated. LCFS has specially trained professional therapists that deal specifically with children and their concerns. Together the counselor and child can discuss what's bothering them and come up with a plan and skills to navigate through challenging times. If you are worried about your child's well-being, consider a conversation with an LCFS counselor. Offices are located across the state and telehealth services are also available. Please see www.lcfswi.org for more information or call 1-800-291-4513.

Everyone is welcome to attend the Book Club at Zion!

On August 11 we will finish discussing *To Kill a Mockingbird* by Harper Lee and

will discuss *Before We Were Yours* by Lisa Wingate.

We meet in the Commons area—physically distanced, and of course, masked. **Wednesday, August 11 at 3:30 pm.** Questions? Call Joni 715-526-6453 or Sharon 715-524-4280.

Sponsor a worship bulletin in honor or in memory of someone! The \$20 sponsorship fee goes into the General Fund to offset the bulletin cost.

Contact Debbie in the office to reserve your sponsor date!

Christ in Our Home — Copies of the July-Aug-Sept. issue of this inspiring devotional guide for personal/family use are available on the literature cart by the office in both regular and LARGE print.
