A famous conductor said, "The most difficult instrument to play is the second fiddle. To find a violinist who can play second fiddle with enthusiasm—that's a problem. But if we have no second fiddles, we have no harmony."

Worried About Your Child's Mental Health?

A child's mental health can be fragile. Children are very resilient, but they too can suffer from anxiety, depression, stress or loss. For some kids, this shows up through acting out at school or at home. For others they become withdrawn and quiet. Others may become angry or easily frustrated. LCFS has specially trained professional therapists that deal specifically with children and their concerns. Together the counselor and child can discuss what's bothering them and come up with a plan and skills to navigate through challenging times. If you are worried about your child's well-being, consider a conversation with an LCFS counselor. Offices are located across the state and telehealth services are also available. Please see www.lcfswi.org for more information or call 1-800-291-4513.

Rummage donations may be brought to Zion's fellowship hall.

Last day of receiving donations
Friday, Sept. 17.

No electronics, toys, craft items, or seasonal decorations accepted!

Please do not bring computers, monitors, TVs, fax machines, VCR players, radios, etc.

Direct questions to Donna Milbauer 715-851-5490 or Karen Childs 715-526-2445.

Sponsor a worship bulletin in honor or in memory of someone! The \$20 sponsorship fee goes into the General Fund to offset the bulletin cost.
