Prayer Shawls are in need!

If you enjoy crocheting or knitting we are in need of prayer shawls. When making a prayer shawl you are infusing each stitch with hope, warmth, love, compassion and care. When the gift of a prayer shawl is received, that warmth is felt, the connection is recalled and the healing takes place. Your prayer shawls can be brought to the office when finished. Thank you very much!

DOG DICTIONARY

Thunder: This is a signal that the world is coming to an end. Humans remain amazingly calm during thunderstorms, so it is necessary to warn them of the danger by trembling uncontrollably, panting, rolling your eyes wildly, whimpering or barking incessantly, and never letting them out of your site. ~ *And God Said...Let There Be More Laughter!* by Mary
