Dog Tales: A man followed a woman and her dog out of a movie theater. He stopped her and said, "I'm sorry to bother you, but I couldn't help noticing that your dog was really into the movie. He cried at the right spots and fidgeted in his seat at the boring parts. Most of all, he laughed like crazy at the funny parts. Did you find that unusual?" "Yes," she replied, "because he hated the book!" ~ *And God Said...Let There Be More Laughter!* by Mary Hollingsworth

"Yes, it's beautiful — but can we talk about its placement?"
